I am a seasoned remote video editor and motion graphic designer with 7 years of experience and a passion for the **blockchain, defi, and crypto industry**. I have a proven track record of creating engaging videos that help startups in the field to grow and **stand out on social media platforms**. I am skilled in **promoting brands and products, with strong communication, deadline management, problem-solving, and team leadership skills**. Equipped to work remotely, I am ready to help your startup grow and succeed with **compelling visuals**.

EXPERIENCES

ANIMATIONS LEAD - XORD (ON-SITE)

Since June 2021

As a Video Editor and Motion Graphic Designer at Xord, I have advanced to become an Animations Lead, creating high-quality explainer videos, animations and marketing content for the **Blockchain, Crypto, DeFi, and Web3 industry**. I have expertise in **video editing, motion graphics, and animation**, and I have a proven track record of success in delivering visually-compelling and impactful content that helped clients achieve their goals. My experience working remotely and within a year of joining, I moved my way up to be an Animation Lead, showcases my ability to **adapt and excel** in the industry.

VIDEO EDITOR (REMOTE)

SMART DENTAL COMPLIANCE & TRAINING

January 2019 - October 2022

As a Video Editor at **Smart Dental Compliance and Training**, I have been working remotely for over **3.5 years**. My duties include **video production, editing, and post-production**. I helped the company grow from a Dental Compliance Software to a **Complete Health Compliance Industry**. My **long tenure with the company** showcases my commitment to delivering high-quality work and contributing to the company's success.

VIDEO EDITOR/MOTION GRAPHIC DESIGNER (REMOTE)

FREELANCE

Since March 2015

Proven freelancer with **8+ years of experience**, delivering high-quality work across **1500+ projects**. Skilled in video editing, motion graphics, website animations, with a **record of exceeding client expectations**. Over **1200 5-star reviews**. Expertise in understanding client's unique needs and delivering exceptional results. **Ideal for any freelance project**.
